

Retired Credit Rating Methodologies

as of 02. Aug 2024

This report contains Scope Ratings Credit Rating Methodologies that are retired as of the publication date. The below methodologies may have been referred to in historical rating action releases.

These credit rating methodologies are replaced by newer versions, have been merged with an existing methodology or have been retired in full. They are no longer in use for the purpose of determining or monitoring credit ratings. A list of material changes to previous versions can be found in the summary or introduction of the respective methodology.

Current, 'in-use' credit rating methodologies can be found on <https://scoperatings.com/governance-and-policies/rating-governance/methodologies>
